

New Hampshire State Library

[New Hampshire Agricultural Census Data:
1788, 1803, 1808, 1812, & 1820]

Call#: ARC 630.6 N5334cd, 1788-1824

Finding Aid

Prepared by Nicole Thomas, edited by Amber Cushing [2007];
revised, formatted and cataloged by Linda Kent
Technical Services, NHSL
March 2010

Scope and Content Note: Collection consists of handwritten registers of primarily agricultural data collected from various counties in New Hampshire at several intervals from 1788 to 1820. The data are given according to county and then by town. Information is provided on acreage, stock, mills, buildings, and population. The edges of loose pages are in poor condition, in some cases crumbling and torn.

Span Dates: 1788-1820, and undated.

Collection Size: Seven folders, contained in one legal-size box, 27x40x7 cm.

Copyright Status and Access: The collection was donated to and is the property of the New Hampshire State Library. Access is available upon request.

Subjects:

Agriculture—New Hampshire
Census data—New Hampshire

Arrangement and Description: arranged by date into seven folders.

Container List:

Folder 1 - 1788: data for Cheshire, Grafton, Hillsborough, and Strafford counties;

Folder 2 - 1803: data for Cheshire, Grafton, Hillsborough, Rockingham, and Strafford counties, with notes on town holdings;
